Have Your Say - Reply Slip

It is important to keep your local MP in touch with your concerns and views about local and national issues. I would be grateful if you could spare a few minutes answering the questions below and return the reply slip to **Diana Johnson MP, House of Commons, Westminster, London SW1A 0AA.**

Name: _____

Address: _____

 _____ Postcode: _____

Telephone: _____ E-mail: _____

Do you support a national ID card scheme to help fight terrorism, ID theft and illegal immigration?	YES <input type="checkbox"/> NO <input type="checkbox"/>	Would increasing the minimum legal age from 18 to 21 for being served alcohol be good for Hull?	YES <input type="checkbox"/> NO <input type="checkbox"/>
In light of the latest medical evidence, should cannabis be reclassified from a class C to a class B drug?	<input type="checkbox"/> <input type="checkbox"/>	Should Hull apply for Government funding for 'talking CCTV' cameras to help combat crime?	<input type="checkbox"/> <input type="checkbox"/>
Should Hull bring back the free healthy school meals scheme, without means-testing, to help tackle childhood obesity?	<input type="checkbox"/> <input type="checkbox"/>		

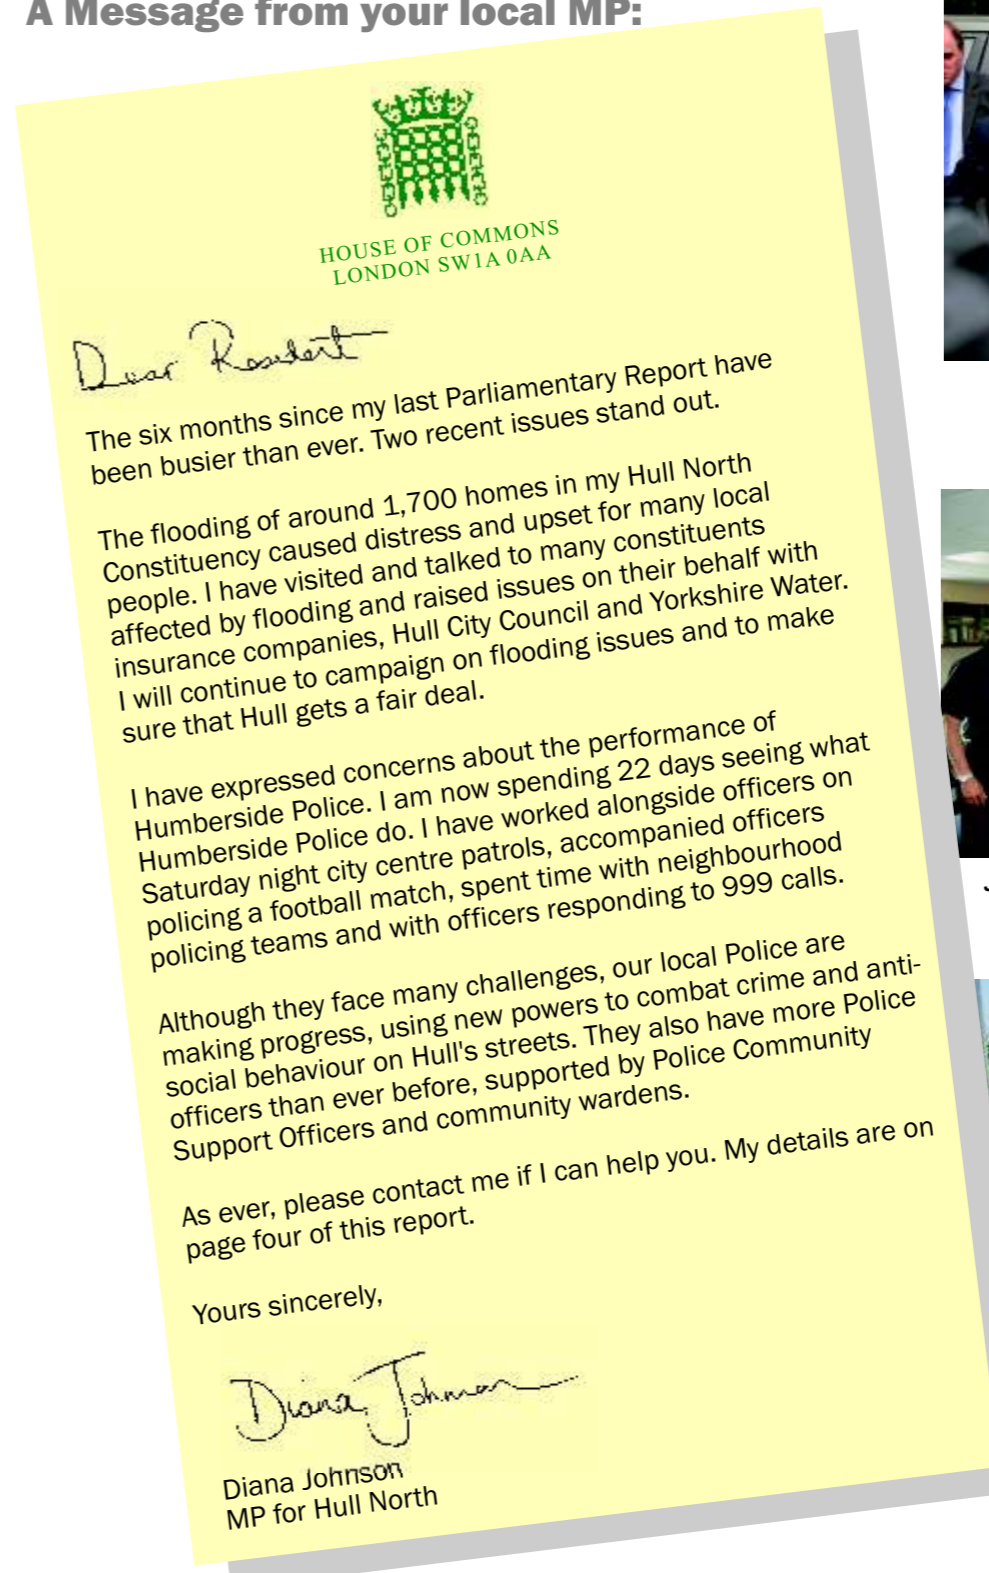

What local issues concern you the most?

Comment Box

I produce a monthly report on my work as your MP. If you would like to receive a regular copy, please write to me or e-mail me.

By returning the reply slip you are consenting to be contacted by Diana Johnson MP in the future. If you do not wish to hear from her again, please write to inform her of this at the House of Commons, Westminster, London SW1A 0AA.

A Message from your local MP:

HOUSE OF COMMONS
LONDON SW1A 0AA

Dear Robert

The six months since my last Parliamentary Report have been busier than ever. Two recent issues stand out.

The flooding of around 1,700 homes in my Hull North Constituency caused distress and upset for many local people. I have visited and talked to many constituents affected by flooding and raised issues on their behalf with insurance companies, Hull City Council and Yorkshire Water. I will continue to campaign on flooding issues and to make sure that Hull gets a fair deal.

I have expressed concerns about the performance of Humberside Police. I am now spending 22 days seeing what Humberside Police do. I have worked alongside officers on Saturday night city centre patrols, accompanied officers policing a football match, spent time with neighbourhood policing teams and with officers responding to 999 calls.

Although they face many challenges, our local Police are making progress, using new powers to combat crime and anti-social behaviour on Hull's streets. They also have more Police officers than ever before, supported by Police Community Support Officers and community wardens.

As ever, please contact me if I can help you. My details are on page four of this report.

Yours sincerely,

Diana Johnson

Diana Johnson
MP for Hull North

July 2007: Diana welcomes the Prime Minister to the flooded Thorpepark Primary School in Orchard Park.

July 2007: Diana met Humberside Fire and Rescue Service to discuss the flooding emergency.

August 2007: Diana, seen here with Special Constables, is spending 22 days working with Humberside Police.

Working hard for Hull North

Veterans Minister Derek Twigg MP joined me to present veterans badges at Hull's Royal British Legion in Beverley Road. I attended an event by the union Usdaw to celebrate the extension of paid maternity leave from six to nine months.

March 2007

I met talented youngsters from Hull who have formed 'Freedom Road' and recorded a CD for Wilberforce 2007. It was a pleasure to see services for recovering stroke patients at Rossmore Nursing Home.

April 2007

I have been visiting all the schools in Hull North. I enjoyed meeting the staff and pupils at Stepney Primary School, which is in the top ten per cent of primary schools nationally. I introduced Archbishop Desmond Tutu when he delivered his Wilberforce Lecture at City Hall.

May 2007

Flood campaign launched

The failure of Yorkshire Water's pumping station serving Bransholme and Kingswood during June's flooding affected many Hull North people. I recently met with Yorkshire Water to see the problems at the site, which is over 50 years old, for myself. I have launched a petition calling for this pumping station to be upgraded as a key priority for Yorkshire Water.

For more information about this petition and how to add your name to it, call my office on 01482 319135 or visit www.dianajohnson.co.uk.

August 2007: Kingswood residents sign Diana's local pumping station petition.

June 2007

Oscar-winning animated stars Wallace and Gromit were on hand as I supported Wrong Trousers Day 2007 in aid of children's hospitals and hospices. I spoke in Parliament about the sale of KC shares by Hull City Council.

July 2007

I attended celebrations marking the centenary of Newland School for Girls. I also joined in the fun when I opened the new £1.7 million Fenchurch Street Children's Centre. These centres are a key part of the Government's SureStart programme to give young people the best start in life.

August 2007

In the aftermath of the floods, I inspected drains at Kingswood and visited Bransholme Pumping Station. It was great to see youngsters working on their reading at Greenwood Library when I went to donate books for the 'Big Wild Read', this year's summer holiday reading campaign.

Hull's smoke-free future

The ban on smoking in enclosed public places came into force on 1 July. Enforced properly, I believe that this will be one of the biggest moves forward for public health of our time. With three quarters of deaths under the age of 75 related to smoking, we need to do everything possible to improve the health of Hull residents.

Many local people have already told me that the ban is a real incentive to give up smoking and to enjoy a night out free from smoke!

July 2007: Diana at the 'Smoke Free Hull' stand at the Dove House Hospice Fun Day

Demanding better shops for Orchard Park

I recently presented a petition to Parliament about the poor shopping facilities at Orchard Park Shopping Centre. Residents living away from Hull's town centre need access, within walking distance of their homes, to a decent choice of shops and other services in a safe and pleasant environment.

Work starts soon on a new health centre for Orchard Park, but plans for new shops are dependent on extra investment being found. I will continue to campaign with Orchard Park councillors and residents on this issue.

August 2007: Diana with Cllr Steven Bayes at Orchard Park's current shopping centre
